Excerpt from The Story of Palma Sola Park

Written June 1, 1980

"Throughout the years YOUR Association has been actively working for and with you and we're not chiding you that the ASSOCIATION IS YOU! Your cooperation and participation in Park affairs is of paramount importance. We want to swell our membership and urge that you do your part in bringing in and welcoming new homeowners that have located here. "

Now, 38 years later, the statement is still accurate - please join Palma Sola Park Association if you haven't already.

NOTE; Membership in Palma Sola Bay Yacht Club is a different organization and membership in one does not constitute membership in the other.
