

Palma Sola Park Association Newsletter - June 2021

Summer is in full swing and it's wonderful! I'm happy for the kids out of school and the extra hours of sunlight well into the evening, allowing for more "hellos" as folks walk their dogs and spend time down at the basin checking on the manatees.

There are a number of things to remind you of as we move into July.

1. July 3rd (Saturday) "On the Rocks" at Laurie and Joe Sabath's home from 6-9, 1011 Montezuma Dr. Bring your own drinks, an appetizer or dessert to share. Children invited as we celebrate Independence Day family picnic style. The pool will be open, so bring your towel if you're going in. Cotton candy, hot dogs and popcorn provided. Laurie asked that you bring chairs.
2. Put your flags out this weekend.
1. Pam Bates is checking if there is interest in folks getting together to play bridge or other card games on a regular basis. Call Pam 941-545-5149 (cell).
2. Remember when you use the NextDoor social app to wisely choose whether the post should be seen only by our Palma Sola Park neighborhood or all the neighborhoods in northwest Bradenton.
3. Parents permitting young people to drive golf carts, please be discerning. The age of drivers and their driving speed need to be monitored, especially with more free time during the summer months.
4. Our neighborhood association has asked Manatee County to put new fencing completely around the sewer lift station located across from Rose Park. Work is scheduled for July.
5. Derrick Warner is leading the July 4th parade on Sunday morning, 10:00 AM at the boat basin by the flag pole. Decorate your golf carts and bicycles to show everyone how much you love this great country. If you can't join the parade, be sure and step outside as the parade passes and cheer us on!
6. Thanks to JoAnne Bursuk for restarting the Flash Mob dinners. Here are a couple pictures that Derrick Warner took last Thursday at the My Thai restaurant.

Happy Summer!

Kevin Heisey
