IMPORTANT MESSAGE FROM YOUR PRESIDENT

Earlier in the spring of 2018 a few residents brought to the "Nextdoor" social media site the subject of golf carts and the legality of driving them on the roads around Palma Sola Park. It was determined that only certain types of golf carts that meet state requirements are legal to drive on the roads of Palma Sola Park. Therefore the majority of the golf carts are indeed illegal to drive on the public roadways. Some residents even went so far as to call the Sheriffs office and ask for patrols. As a corporation, the Palma Sola Park Association would be breaking the law by letting unregistered golf carts participate in the parade. I felt compelled to cancel the parade not only out of respect for the law, but to reduce any liability arising out of any unfortunate events should they happen while we condoned the activity. A golf cart parade could still be in the future, but all entrants would need to show registration of their golf cart and appropriate insurance. It was a really fun thing to do before we knew about the law, but now it is known and we have to adhere. Someone could pick up the torch and just organize a parade, but it can not be endorsed or affiliated with the Palma Sola Park Association.
